

# Psychotic Precision (Live - Party San 2005)

## Cannibal Corpse

Horrific perception that enters the brain  
An abnormal psyche insanity's brain  
Cemented beyond immeasurable doubt  
Psychotic or not they need a way out  
Of their obscured minds  
If they want to be set free  
Lunatics of wrath  
Horrid killing viciously  
Like incisions  
With conviction  
Various deaths  
Identical  
In hell they will find  
It is where they need to be  
Murder redefined  
Butchered meticulously  
Killed the same way  
On the same day  
Various deaths  
Identical  
Psychotic precision, psychotic precision, psychotic precision  
Psychotic precision  
Psychotic precision, psychotic precision, psychotic precision  
Psychotic precision  
Aware not of age cruel visions each had  
To slaughter alike they must truly be mad  
Rewarded with blood on their ignorant hands  
These psychos precisely slew many men  
With their obscure minds  
Feeling that they were set free  
Murder redefined  
Butchered meticulously  
Like incisions  
With conviction  
Various deaths  
Identical  
Killed the same way  
On the same day  
Abysmal deaths  
Imperceptible
