Now It's Your Turn

Deer Tick

If you see
my reflection
In the goal
that guides your road
We could be
our invention
Running from
Letting go
But our eyes
make bridges burn
Those nights
are all we've earned
Well I'm alone
Here's my heart
Now its your turn.
Well if you need
an opinion
Or some cash
to make your rent
Well I could be
your addiction
Talk is cheap
Well that's it

And our eyes
make bridges burn
Those nights
are all we've earned
Well I'm alone
Here's my heart
Now its your turn.
If you see
my reflection
In the goal
that guides your road
We could be
our invention
Running from
Letting go

But our eyes
make bridges burn
Those nights
are all we've earned
Well I'm alone
Here's my heart
Now its your turn.
