

Beautiful girl (Edit_by_Trronicsound)

[William Fitzsimmons](#)

Unfurl your gown
A distant fuller skin
I knew you onceMy God the sun
The windows bear your bones
Reveal your crimeBeautiful girl
Let the sunrise come again
Beautiful girlYour sailor eyes
The water in the well
A thirst to fillLet down your arms
The purging of this dark
The fall to freeBeautiful girl
Let the sunrise come again
Beautiful girl
May the weight of world resign
You will get better
