

# The Rain Song

## Radio La Chusma

I don't think about us much anymore  
Frankly, the topic has become a bore  
And you don't come up much in my conversations  
And I don't think about you on vacation

But when it rains

When it rains

When it rains

That's when I remember

That's when I remember

When I remember you

I remember you

I don't think about us when I'm sleepin'  
It doesn't even cross my dreamlike mind  
I don't think I see your face through the curtains  
Hell, I don't even miss you half the time

Oh, but when it rains

When it rains

When it rains

That's when I remember

That's when I remember

When I remember you

I remember you

Rain, rain go away I'm doing fine

As long as you stay

Locked up inside a cloud of gray

Rain, rain

Rain, rain, rain

Rain, rain, rain

Rain

When it rains

When it rains

When it rains

That's when I remember

That's when I remember

When I remember you

I remember you

Oh, that's when I remember

The only time I remember

Yaa, I remember you

Oh oh
