Swan

Unwound

art wrong, swan song, no fun in sun, cake walk, fake talk, burn hot, bad plot, sick thought, fucked up, what now? satan, burning, sun tanned rock fan, plastic, violent, rising.
for what i see is the end is the end
and what i see is the end is the end of the end.
what i see is the end is the end
and what i see is the end is the end of the end.
too long, god's song, swan dive, my life, sore eyes, dead flies, my soul, white lies.
for what i see is the end is the end
and what i see is the end is the end of the end.
what i see is the end is the end
and what i see is the end is the end of the end.
