Let's Work Together

Electric Food

Together we'll stand, divided we'll fall
Come on now people let's get on the ball
And work together, come on, come on
Let's work together, now, now peopleBecause together we will stand
Every boy, every girl and a manPeople, when things go wrong as they sometimes will
And the road you travel it stays all uphill
Let's work together, come on, come on
Let's work togetherYou know together we will stand
Every boy, girl, woman and a manOh well now, two or three minutes, two or three hours
What does it matter now in this life of ours
Let's work together, come on, come on
Let's work together, now, now peopleBecause together we will stand
Every boy, every woman and a manCome on now
Come on, let's work together nowWell now, make someone happy, make someone smile
Let's all work together and make life worthwhile
Let's work together, come on, come on
Let's work together, now, now peopleBecause together we will stand
Every boy, girl, woman and manWell now together we will stand
Every boy, girl, woman and a man, oh yeah
