

# Let's Work Together

## Electric Food

Together we'll stand, divided we'll fall  
Come on now people let's get on the ball  
And work together, come on, come on  
Let's work together, now, now people Because together we will stand  
Every boy, every girl and a man People, when things go wrong as they sometimes will  
And the road you travel it stays all uphill  
Let's work together, come on, come on  
Let's work together You know together we will stand  
Every boy, girl, woman and a man Oh well now, two or three minutes, two or three hours  
What does it matter now in this life of ours  
Let's work together, come on, come on  
Let's work together, now, now people Because together we will stand  
Every boy, every woman and a man Come on now  
Come on, let's work together now Well now, make someone happy, make someone smile  
Let's all work together and make life worthwhile  
Let's work together, come on, come on  
Let's work together, now, now people Because together we will stand  
Every boy, girl, woman and man Well now together we will stand  
Every boy, girl, woman and a man, oh yeah
