It Might Be You

KAI

Time
I've been passing time watching trains go by
All of my lifeLying on the sand, watching seabirds fly
Wishing there would be
Someone waiting home for meSomething's telling me it might be you
Yes it's telling me it might be you
All of my lifeLooking back as lovers go walking past
All of my life
Wondering how they met and what makes it last
If I found the place
Would I recognize the face?Something's telling me it might be you
Yeah it's telling me it might be you, ohSo many quiet walks to take
So many dreams to wake
And we've so much love to makeI think we're gonna need some time
Maybe all we need is time
And it's telling me it might be you
All of my lifeI've been saving love songs and lullabies
And theres so much more
No one's ever heard beforeSomething's telling me it might be you
Yeah it's telling me it must be you
And Im feeling itll just be you
All of my lifeYeah, yeah , yeah
Maybe it's you, maybe it's you
I've been waiting for all of my life
