Once Upon a Life

Lea Salonga

(roman cruz, jr./ryan cayabyab)Once upon a life
We said we'd separate for a while
You would live a different life
And I a different styleWe broke the bond that made us one
And when that foolish deed was done
I lost you, you lost me
And we asked what we had wonOnce upon a life
There was no you, there was no me
For you and I were one
As we were really meant to beOnce upon a life
We sought tomorrow, that's today
And we are one again
And that's the way we'll always stayWe broke the bond that made us one
And when that foolish deed was done
I lost you, you lost me
And we asked what we had wonOnce upon a life
There was no you, there was no me
For you and I were one
As we were really meant to beOnce upon a life
We sought tomorrow, that's today
And we are one again
And that's the way we'll always stay
And we are one again
And that's the way we'll always stay
