

Factory Of Faith (I'm With You 2011)

Red Hot Chili Peppers

All my life I was swinging for the fence,
I was looking for the triple,
Never playing good defenseGunnin' for the glitter,
Every hot and heavy hitter,
She was never really there so I couldn't really get herI said
Factually I, I'm just a piece of it
Factually I, the very least of itPiece of work, I was really quite a jerk
Keeping score is such a bore, a busy mind can go berserk
Oh feast on this, I was fishing for a hook
So I took a little trip, and I opened up the bookI said
Factually I, I'm just a piece of it
Factually I, the very least of it
Factually I, is just a medicine
Make you wanna cry, why don't they let us in?Be my wife, I think you're right that we should mate
Tell your friends, I got a factory of faith
Late last night, I had a dream that it was great
Tell your friends, I got a factory of faith
I got a factory ofCrack your whip, she's confessing from the hip
She was good at getting there, but not as much for round trip
Oh all this time, I was searching for a dream
I was living in and out of every other sex machineI said
Factually I, I'm just a piece of it
Factually I, the very least of it
Factually I, is just a medicine
Makes you wanna cry, why don't they let us in?Be my wife, I think you're right that we should mate
Tell your friends, I got a factory of faith
Late last night, I had a dream that it was great
Tell your friends, I got a factory of faith
I got a factory ofBe my wife, I think you're right that we should mate
And tell your friends, I got a factory of faith
Late last night, I had a dream that it was great
Tell your friends, I got a factory of faith
I got a factory ofFaith
And love
And love
