4ever

Lil' Mo

Baby, I'm at the point in my life
When I'm tired of playin' games
I'm ready to settle down
I'm ready to buy a house
And I'm ready to change my last name
Ready to have some kids, ready for the life to live
And all love has to give
I've been your superwoman for so long
I'm ready to be your wife, Little M O
Now that love's taken over
I'm one hundred percent sure that it's here to stay
I ain't got no issues standing in my way
And I ain't goin' nowhere, you ain't goin' nowhere so
Let's make it official
If we ain't gettin' no younger, baby
Then I'm ready to be with you
Together for always
To have and to hold through
Sickness and through health
You might think I'm crazy, baby
Can you live with it? Lovin' me for life
To have and hold 4Ever
Baby, ride or die 'til death do us part
Let's make it last 4Ever
Are you ready to be happy, babe
For the rest of your life?
'Cause I wanna be your future, yeah
And let's start a family
'Cause I ain't goin' nowhere
And you ain't goin' nowhere
So let's make it official
If we ain't gettin' no younger, baby
And I'm ready to be with you
Together for always
To have and to hold through
Sickness and through health
You might think I'm crazy, baby
Can you live with it? Lovin' me for life
To have and hold 4Ever

Baby, ride or die 'til death do us part
Let's make it last 4Ever
I'm ready to walk down that aisle in all white
And dedicate my life to you, yeah, yeah
And live together happily ever after all
All I been thinkin' 'bout is us
Slidin' from weddings with bands on
Headin' to San Juan, gettin' our tan on
Girl, you must be forgettin' your man's long
Most tuxes I have trouble gettin' the pants on
And I know things run through your head when your man's gone
I come home have you sayin' better than Cameron
We upsettin' they plans on, gettin' they chance on
Gettin' they hands on F A B O
Baby, tell me
Can you live with it? Lovin' me for life
To have and hold 4Ever, yeah
Baby, ride or die 'til death do us part
Let's make it last 4Ever
Can you live with it? Lovin' me for life
To have and hold 4Ever
Baby, ride or die 'til death do us part
Let's make it last 4Ever
Make it last 4Ever and ever and ever
Can you live with it? Lovin' me for life
