

Anything Is Possible

Jen Hannah

Verse 1:

Whatâ€™s your dreamâ€¦ that sometimes seems impossible?
Let the voices fadeâ€¦ that tell you itâ€™s improbable
And hold on to what you love, Hold on to what you dream of,
And you will be unstoppable!

Chorus:

Anything is possible (when you believe)
Anything is possible (do you believe)
Anything is possible (believe)

Verse 2:

Whatâ€™s your dreamâ€¦ that sometimes seems illogical?
When you try and fallâ€¦ your dream can feel intangible
And chin up, try againâ€¦ Stand up, and carry on
And your dream will become visible

Chorus:

Anything is possible (when you believe)
Anything is possible (do you believe)
Anything is possible (believe)

Bridge:

Hey hey, I believe; Hey hey, I believe; Hey hey, I believe
That I am unstoppable because

Chorus:

Anything is possible (when you believe)
Anything is possible (do you believe)
Anything is possible (believe)

Believeâ€¦ Believe!
