Back on My Feet Again

John Waite

I was so lonely until I met you
Told myself I'd get by without love
Drownin' my sorrows
Avoiding tomorrowsKind of felt that I just had enough
You light up my face with your jokes and your smiles
And the way that you came here tonight
Don't know what you gotBut I'm sure glad I found you
Could be wrong but it sure feels right
And here I am
I'm back on my feet againHere I am
I'm back on my feet again
Surprised at myself
for the way that I feelSo happy that you're
here with me
Some women I've known
They've left me with nothingBut I guess that was just meant to be
And here I am
I'm back on my feet again
Here I amI'm back on my feet again
I was down for the count
I was down
I was beatI was cryin'
I was cornered and hurt
I was hidin' my face
Sittin' there cryin'I was so lonely until I met you
Told myself I'd get by without love
Drownin' my sorrows
Avoiding tomorrowsKind of felt that I just had enough
And here I am
I'm back on my feet again
Here I amI'm back on my feet again.
Yes here I am
I'm back on my feet again
Here I amI'm back on my feet again
