

Have Wheels Will Travel

Stereophonics

I feel fine, I feel fine
You were mine
I feel fine all the time So take a look outside my window
I got a beautiful view Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel I got time
I got time on my side
I got time on my side So take a look outside my window
I got a beautiful view Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel It's a beautiful view, baby Close my eyes
Close my eyes for a while
Close my eyes for a while So take a look outside my window
I got a beautiful view Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel Have wheels will travel
Have wheels will travel You better close your eyes, baby
