People Like Usâ—•

â—•Kelly Clarkson

We come into this world unknown
But know that we are not alone
They try and knock us down
But change is coming, it's our time nowHey... everybody loses it,
Everybody wants to throw it all away sometimes
And hey... yeah I know what you're going through
Don't let it get the best of you, you'll make it out alive
OhhPeople like us we've gotta stick together
Keep your head up, nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottomOh woah oh oh woah oh
We are all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like usHey, this is not a funeral
It's a revolution, after all your tears have turned to rage
Just wait, everything will be okay
Even when you're feeling like it's going down in flames
OhhPeople like us we've gotta stick together
Keep your head up nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottomOh woah oh oh woah oh
We are all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like usOh woah oh oh woah oh
You've just gotta turn it up loud when the flames get higher
Oh woah oh oh woah oh
Sing it for the people like us, the people like usThey can't do nothing to you, they can't do nothing to me
This is the life that we choose, this is the life that we bleed
So throw your fists in the air, come out, come out if you dare
Tonight we're gonna change foreverEverybody loses it, everybody wants to throw it all away sometimes
OhhPeople like us we've gotta stick together
Keep your head up nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottomOh woah oh oh woah oh
We are all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like usOh woah oh oh woah oh
You've just got to turn it up loud when the flames get higher
Oh woah oh oh woah oh

Sing it for the people like us, the people like usOh woah oh oh woah oh
We're all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like usOh woah oh oh woah oh
You've just got to turn it up loud when the flames get higher
Oh woah oh oh woah oh
Sing it for the people like us, the people like us
