

# Always Be This Way

[Martina McBride](#)

I like the way you make my heart beat faster  
You got me feeling like a sweet disaster  
Ooo, and I like it You like the way I say I'm crazy about you  
You love the way it makes your heart go boom boom  
Ooo, yeah, you know you like it It's just gets better every day  
Tell me forever that we'll always be this way  
This is how we'll always stay  
You'll still be kissin' me the way you do  
You'll still be lovin' me and I'll be lovin' you  
Please say, we'll always be this way Everybody says we'll never make it  
But they don't have a clue what they sayin'  
Ooo, they're just stupid, so stupid We got our promises, they can't be broken  
We keep on lovin' with our hearts wide open  
Ooo, yeah yeah It's just gets better every day  
Tell me forever that we'll always be this way  
This is how we'll always stay  
You'll still be kissin' me the way you do  
You'll still be lovin' me and I'll be lovin' you  
Please say, we'll always be this way We'll always be this way  
And this is how we'll always stay  
Uuuh, you'll still be kissin' me the way you do  
You'll still be lovin' me and I'll be lovin' you  
Please say, we'll always be this way Hey-hey-yeah,  
I'm lovin' you, you're lovin' me baby  
Uuuh yeah
