

Sad

Maroon 5

Man, it's been a long day
Stuck thinking 'bout it driving on the freeway
Wondering if I really tried everything I could
Not knowing if I should try a little harderOoh, but I'm scared to death
That there may not be another one like this
And I confess
That I'm only holding on by a thin, thin thread
I'm kicking the curb 'cause you never heard
The words that you needed so bad
And I'm kicking the dirt 'cause I never gave you
The things that you needed to have
I'm so sad, sadMan, it's been a long night
Just sitting here trying not to look back
Still looking at the road we never drove on
And wondering if the one I chose was the right oneOoh, but I'm scared to death
That there may not be another one like this
And I confess
That I'm only holding on by a thin, thin thread
I'm kicking the curb 'cause you never heard
The words that you needed so bad
And I'm kicking the dirt 'cause I never gave you
The things that you needed to have
I'm so sad, sadSo sad, so sadOoh, but I'm scared to death
That there may not be another one like this
And I confess
That I'm only holding on by a thin, thin thread
I'm kicking the curb 'cause you never heard
The words that you needed so bad
And I'm kicking the dirt 'cause I never gave you
The things that you needed to haveAnd I'm kicking the curb 'cause you never heard
The words that you needed so bad
I'm so sad, so sad
