## Luther Vandross

Love, soft as an easy chair  
Love, fresh as the mornin' air  
One love that is shared by two  
I have found with you  
Like a rose under the April snow  
I was always certain love would grow  
And yeah love  
Ageless and evergreen  
Seldom seen by two  
So you and I will make each night a first  
Everyday a beginning, yeah  
Sprits rise and they're dancin' unrehearsed  
They warm and excite us, yeah yeah yeah  
'Cause we have the brightest love  
Woh oh oh, two lights, two lights that shine as one, yeah  
Morning glory and a midnight sun  
Time we learned to sail above  
Time the world changed the meanin' of, no no  
Ooh one love  
Ageless and ever  
Evergreen
