

Dreams (Prod. Darhyl Camper)

John Legend

Baby it seems the time is never right
You're goin' left and I'm goin' right
It's crazy
But I'm still waiting If I play my cards right
My lucks gonna strike
Until then there's a night
All I wanna do Is dream, dream, dream, dream
Dream, dream, dream, dream
Like lovers do
And it might come true If I dream dream dream dream
Dream dream dream dream
It just might be the only time that I'm with you When I dream, dream, dream
Dream, dream
Oh I dream
Yes I dream
Dream dream
Dream dream
They say that dreams they sometimes do come true Your star shines so bright
You're the queen of my night
In the daytime not quite
But I'm so glad that I Can dream dream dream
Dream dream dream
Like lovers do
And it might come true If I dream, dream, dream
Dream dream dream
It just might be
The only time
That I'll be with you But I'll dream, dream, dream
Dream dream dream
Of you
