

Blue Feeling

The Animals

Sit here and wonder
Why am I so blue
Is it because
I'm still in love with you? Blue, blue feeling
Got me down today
Blue, blue feeling
My baby's gone away Now that she's gone
I don't know what I'll do
I guess I'll have to find
Find somebody new Blue, blue feeling
Got me down today
Blue, blue feeling
My baby's gone away Baby please don't leave me
Oh don't leave me Now that she's gone
I'm feeling kind of blue
I guess I'll have to find
Find somebody new Blue, blue feeling
Got me down today
Blue, blue feeling
My baby's gone away Well, baby please don't leave me
Baby please don't go
Honey child don't leave me now
Baby please, baby please
