

# U Got What I Need

Mc Chris

Baby, u got what I need  
Baby, u got what I need  
Baby, u got what I need  
Baby, u got what I need  
See, see me and you been through so much together  
And I want you to know that I'm with you  
'Cause no one can do for me like you do baby  
And I'll never bail out on you, baby  
So you never have to question dis lady  
So whenever you need me, I'll be there in a hurry  
'Cause u got what I need  
U got what I need, baby, u got what I need  
And I want you close to me  
'Cause no one makes me feel the way u do  
Baby u got what I need  
Dat's why I'm wit you, u got what I need  
Some may say I'm crazy for lovin' you  
But they don't understand what I do  
So they can say what they want  
But it ain't gonna change how I feel  
'Cause I'm not gone ride for no one else but you baby  
'Cause if you leave me I'll go crazy  
'Cause I gotcha till the end  
I gotcha no matter what it is  
I gotcha when it's church time baby  
Whenever you need someone  
'Cause u got what I need  
U got what I need, baby, u got what I need  
And I want you close to me  
'Cause no one makes me feel the way u do  
Baby u got what I need  
Dat's why I'm wit you  
Walkin' in da rain wit da one I love, feel so fine  
Walkin' in da rain wit da one I love on my mind  
(U got what I need, baby, u got what I need)  
Said I like the lovin' you give, type of love that I can't forget, oh, give it to me  
I don't want no one but you, all I need in my life is you, oh, bring it to me  
Said I like the lovin' you give, type of love that I can't forget, oh, give it to me  
I don't want no one but you, all I need in my life is you, oh, bring it to me

'Cause u got what I need  
U got what I need, baby, u got what I need  
And I want you close to me  
'Cause no one makes me feel the way u do  
Baby u got what I need  
Dat's why I'm wit you  
'Cause u got what I need  
U got what I need, baby, u got what I need  
And I want you close to me  
'Cause no one makes me feel the way you do  
Baby, u got what i need  
Dat's why I'm wit you, baby, u got what I need  
Walkin' in da rain wit da one I love
