

Help!

Dc Talk

Help, I need somebody
Help, not just anybody
Help, You know I need someone
Help
When I was younger, so much younger than today
I never thought I needed any help in any way
Now that these days are gone, I'm not so self-assured
And now I find I changed my mind, opened up the door, so
Help me if You can, I'm feelin' down
And I do appreciate You bein' 'round, You know I do
Help me get my feet back on the ground
Won't You please, please help me, help me, help me?
