

Made in the USA (Live From London)

Demi Lovato

Our love runs deep like a chevy
If you fall I'll fall with you baby
'Cause that's the way we like to do it
That's the way we like You run around open doors like a gentleman
Tell me girl every day you're my everything
'Cause that's the way you like to do it
That's the way you like Just a little West Coast, and a bit of sunshine
Hair blowing in the wind, losing track of time
Just you and I, just you and I
Woah, woah No matter how far we go, I want the whole world to know
I want you bad, and I won't have it any other way
No matter what the people say,
I know that we'll never break
'Cause our love was made, made in the USA
Made in the USA, yeah You always reading my mind like a letter
When I'm cold, you're there like a sweater
'Cause that's the way we like to do it
That's the way we like
And never ever let the world get the best of you
Every night we're apart, I'm still next to you
'Cause that's the way I like to do it
That's the way I like We touch down on the east coast
Dinner in the sky rise, winter is the best time for walking in the city lights
You and I, you and I
Woah woah No matter how far we go, I want the whole world to know
I want you bad, and I won't have it any other way
No matter what the people say,
I know that we'll never break
'Cause our love was made, made in the USA 'Cause baby I'll break the bullet
And take the blow for love
Woah, our love was made in the USA
Made in the USA, made in the USA No matter how far we go, I want the whole world to know
I want you bad, and I won't have it any other way
No matter what the people say,
I know that we'll never break
'Cause our love was made, made in the USA
Made in the USA, yeah Made in the U.S.
Made in the U.S.

Made in the U.S.A.
