Mirror City Train

Metatrone

Wake up, wake up! Have a deep breath
Bring your mind out! Your journey's ending!
Just one hour 'cross the town and
You'll arrive at your destinationStop this run you know the sun is
High enough
Now it's time to live another lifeI will not turning back to please me
And I don't want to be loser in my game
With my hands I can touch the sky
To learn to live I will have to trySo carry on! You know the sun is
High enough
Now it's time to live another life
Mirror City Train
See my life is changing
Take a look around
Too many times I withstand
Mirror City Train
Leave the past away
I have no more fear of this life
Now I understandTime has come to begin this running
It doesn't care what people talking'
Just one hour and I'll be no longer
To grab the rest of the day I liveSo carry on! You know the sun is
High enough
Now it's time to live another life
Mirror City Train
See my life is changing
Take a look around
Too many times I withstand
Mirror City Train
Leave the past away
Mirror City Train
See my life is changingMirror City Train
See my life is changing
Take a look around
Too many times I withstand
Mirror City Train
Mirror City TrainI am ready to see my way
I am in Your hands
I have no more fear of this life

Now I understand
