

Fragile

Fuel Fandango

Life forced me to be old
Long time ago
I learned how to be strong
Nobody wants to be broken
We just want to be in love
I don't want anymore
that just I smile
but I usually cry
at the same time
Nobody wants to be broken
We just want to be in love
But I'm still, but I'm still fragile
But I'm still, but I'm still fragile
Nobody wants to be broken
We just want to be in love
But I'm still, but I'm still fragile
But I'm still, but I'm still fragile
Nobody wants to be broken
We just want to be in love
But I'm still, but I'm still fragile
But I'm still, but I'm still fragile
