

Stole My Heart (ET Remix)

Little & Ashley

Once upon
I saw you walking,
A moonbeam; what a lovely girl.
I followed you around the world. I love you, don't you see,
You stole my heart in 1-2-3
I love you, yes it's true
You stole my heart
and I'm gonna steal yours too.
April, June,
and underneath a harvest moon
I dream in sleep I'm taking flight
An aeroplane across the night. I love you, don't you see,
You stole my heart in 1-2-3
I love you, yes it's true
You stole my heart
and I'm gonna steal yours too. Once upon
I saw you walking,
A moonbeam; what a lovely girl.
I followed you around the world.
I love you, don't you see,
You stole my heart in 1-2-3
I love you, yes it's true
You stole my heart
and I'm gonna steal yours too.
