

Whip Jamboree

Storm Weather Shanty Choir

Now me lads be of good cheer
for the irish coast will soon draw near
in a few days more
we'll sight cape clear
so ginny keep your ringtail warm
now the barship is in sight
and soon we'll be off the old rock light
and I'll be knockin on your door tonight!
so ginny keep your ringtail warm
whip jambore, whip jambore
all you ringtail black men, sheet it home behind
whip jambore, whip jambore
so ginny keep your ringtail warm
Now we're warping through the docks,
all the pretty young girls on the pier do flock
and there's me ginny who I soon shall fuck
so ginny keep your ringtail warm
whip jambore, whip jambore
all you ringtail black men, sheet it home behind
whip jambore, whip jambore
so ginny keep your ringtail warm
Now we're tied to the pier
now its down below and pack our musty gear
soon ill be kissing you my dear
now im safe upon the shore
and i dont give a damn how harde the winds will roar
so ginny keep your ringtail warm
now ive had two weeks ashore
now I'll pack me bags an' I'll go to sea once more
I'll bid goodbye to my Liverpool whore
