

# Year 3000

## Cheap Trick

One day when I came home at lunchtime  
I heard a funny noise  
Went out to the back yard to find out  
If it was one of those rowdy boys  
Stood there with my neighbor called Peter  
And a flux capacitor  
He told me, he built a time machine  
Like one in a film I've seen  
Yeah, he said  
?I've been to the year 3000  
Not much has changed but they lived under water  
And your great, great, great granddaughter  
Is doing fine, doing fine?  
He took me to the future in the flux thing  
And I saw everything  
Boy bands and another one, and another one  
And another one  
And girls there with round hair like star wars  
And float above the floor  
We drove around in a time machine  
Like one in a film I've seen  
Yeah, he said  
?I've been to the year 3000  
Not much has changed but they lived under water  
And your great, great, great granddaughter  
Is doing fine, doing fine?  
I took a trip to the year 3000

This song had gone multi platinum  
Everybody bought our seventh album  
It had outsold Kelly Clarkson  
I took a trip to the year 3000  
This song had gone multi platinum  
Everybody bought our seventh album  
He told me he built a time machine  
Like one in a film I've seen  
Yeah  
Been to the year 3000  
Not much has changed but they lived under water

And your great, great, great granddaughter  
Is doing fine, doing fine  
He said, "I've been to the year 3000  
Not much has changed but they lived under water  
And your great, great, great granddaughter  
Is doing fine, doing fine, doing fine?  
He said, "I've been to the year 3000  
Not much has changed but they lived under water  
And your great, great, great granddaughter  
Is doing fine, doing fine?  
He said, "I've been to the year 3000  
Not much has changed but they lived under water  
And your great, great, great granddaughter  
Is doing fine, doing fine?
