Not That Kind Of Love

Alice Cooper

Hello, my little pretty
My, don't we look yuk
Come hereYou spend all day picking out your dress
I like you dirty when your hair is a mess
You smell so sweet walking in the room
You don't have to try so hard to drown me in perfumeDon't cry your heart out, don't tell your preacher
Don't get ideas, this won't last forever
Just want to touch you, just want to feel you
Just want to taste youI never wanted, I never wanted love before
I never wanted, I never wanted love beforeNot that kind of love, not that kind of love
No, not that kind of love, it's not that kind of love
No, it's not that kind of loveI don't want know your dad or mom
And I won't be calling you to go to the prom
If you want to go, some cheap motel
You can pick me up at eight, I'll never tellDon't cry your heart out, don't tell your preacher
Don't get ideas, this won't last forever
Just want to touch you, just want to feel you
Just want to taste youI never wanted, I never wanted love before
I never wanted, I never wanted love beforeNot that kind of love, not that kind of love
Not that kind of love, not that kind of love
No, no, not that kind of love
Not that kind of love, not that kind of loveNot that kind of love, not that kind of love
Not that kind of love, don't gimme that kind of love
Don't gimme that kind of love
