

Only You

The Bohicas

Don't bring your bad vibe round here no more
It ain't allowed
I got on fine without you but now
You're bringing me down So turn off the taps
Cause I ain't falling for that
Little pornographic pout like butter wouldn't melt in the mouth How can something so wrong
(Feel so right?)
And turn me on?
(Every night)
I can't help myself
(pa pa pa)
I try and tell myself
(pa pa pa)
If I have only one weakness it's you
(Only you)
(Only you) And every single word that you said
I can't ignore
That's why I can't peel my forehead
From your door So, open up
Baby give me what for
You either love it or you hate it there's no need to complicate it no more How can something so wrong
(Feel so right?)
And turn me on?
(Every night)
I just can't help myself
(pa pa pa)
I try and tell myself
(pa pa pa)
If I have only one weakness it's you
(Only you)
(Only you) (Only you)
(Only you) And if the feeling remains
Girl if you're feeling the same
My dirty little secret is my only weakness is you So how can something so wrong
(Feel so right?)
And turn me on?
(Every night)
Cause in the midnight hour
You're at the height of your powers

I just can't help myself
I try to tell myself
If I have only one weakness it's you
(Only you)
(Only you)
(Only you)
(Only you)
