

69 (feat. Burna Boy & Ikechukwu)

Praiz

Intro:

Ride you like a moto on the high way
And am gonna love you like am never live bae
Side by side knocking sideways
You know you gonna get wrecked tonight
From the couch to the table on the floor, to the wall
Take you places never been before
No betterles run away

Oh yeah

Hook:

Lemme come into you
Baby you want me to
Ready to do the things you want

[Chorus]

I wanna live inside you
And no one can serve you
I wanna live inside you
Live inside you

Verse 2:

When i tell her bye bye she go scream my name
So she can hang when am in my throne
I need to know when i take my time
Girl am gonna find out if you remember me
Dat nigga you keep your virginty
Come in and see
Even (?) i put it in
I know youâ€™d been, **ing couple more ni**as
Trying to get away with four ni**as
You didnt see your ni**a, looking at you, looking good
Iâ€™ve been at a thought, why ayou always getting
cautious
You know am getting nervous, (?)
Look who the boss is
Look let me know, what you are causing is so deep
You wonder when if you saw me
You need to come to my side and see (?)

Chorus:

I wanna live inside you
And no one can serve you

I wanna live inside you
Live inside you
I wanna live inside you
And no one can serve you
I wanna live inside you
Live inside you

Verse 3:

Iâ€™ve been working in time
Iâ€™ve puting in work
Well relax your mind
Stacking up in them probs
Trying to take a dive in your puna
Cumming off no air tip
Tissue and (?)
You gat the right drop
Till the lips drop
(?)
And the way that sheâ€™s walking
She gat to hoof her booty with you
(?)

Chorus:

I wanna live inside you
And no one can serve you
I wanna live inside you
Live inside you
I wanna live inside you
And no one can serve you
I wanna live inside you
Live inside you
