

# Another Nail in My Heart

## Squeeze

The case was pulled from under the bed  
She made a call to a sympathetic friend  
And made arrangements  
The door was closed there was a note  
I couldn't be bothered, maybe I'll choke  
No more engagementsWith where have you been's  
And faraway frowns  
Trying to be good  
By not being 'roundAnd here in the bar  
The piano man's found  
Another nail for my heart  
And here in the bar  
The piano man's found  
Another nail for my heartThat stupid old bug  
That kills only love  
I want to be good  
Is that not enoughSo play me the song  
That makes it so tough  
Another nail for my heart  
Then play me that song  
That makes it so tough  
Another nail for my heartI had excuses, those little boy lies  
That she computed by watching my eyes  
And told me firmly  
She couldn't stand it, I'm bad on her heart  
She dropped her makeup and I found the bar  
Now it concerns meI've had a bad time  
Now love is resigned  
I've been such a fool  
I've loved and goodbyedSo here in the bar  
The piano man's found  
Another nail for my heart  
And here in the bar  
The piano man's found  
Another nail for my heart  
And here in the bar  
The piano man's found  
Another nail for my heart  
And here in the bar

The piano man's found  
Another nail for my heart  
And here in the bar  
The piano man's found  
Another nail for my heart
