Thinking

The Ventilators

I can't stop thinking while I'm on the can
Your eyes pop in my mind again and again
Oh Annie, why can't you understand
Every night I dream about being your man

But every time I come up to you
My throat turns dry, I'm tripping on my shoes
I don't know what I'm gonna do
I don't know what I'm gonna do

Cause I think I have fallen in love with you
Cause I think I have fallen in love with you
It's true

Wishing that you'd come up to me
You're always on my mind, you're driving me crazy
I'm missing your personality
You're always on my mind, you're making me lazy

But every time I come up to you
My throat turns dry, I'm tripping on my shoes
I don't know what I'm gonna do
I don't know what I'm gonna do

Cause I think I have fallen in love with you
Cause I think I have fallen in love with you
So please, oh please won't you tell me that you love me too
