

Out Of Sight, Out Of Mind

Anthrax

You've got nothing to say
We can't hear you anyway
You're unconscious, wake up
Smell the coffee, catch the next bus
You don't hear it, not there
Haven't seen it anywhere?
Ignorance is bliss
Before you did we exist?
Don't even think about anything
Don't even think about anything
Tell me something I don't know
How'd you get this job you own?
I think that all you need is a
All you need is a
All you need is a
All you need is a face
Out of sight, out of mind
It was yours but now it's mine
Take a riff, take a line
Out of sight, out of mind
Don't even think about anything
Out of sight, out of mind
You can't see but you're not blind
What's your purpose in life?
What the hell gives you the right to
Take what's been done before
Change the name and make it yours?
Oh yes, you made your statement
Do you have to be so blatant?
You're so conscious image
With a gun you'd do no damage
Don't even think about anything
Don't even think about anything
Tell me something I don't know
How'd you get this job you own?
I think that all you need is a
All you need is a
All you need is a
All you need is a face
Out of sight, out of mind
It was yours but now it's mine
Take a riff, take a line
Out of sight, out of mind
Don't even think about anything
Out of sight, out of mind
You can't see but you're not blind
Stupid, dumb, idiot, moron
You really make me sick
Take your head out from up your ass
Right here, right now
But it won't last

No it won't, no Out of sight, out of mind
It was yours but now it's mine
Take a riff, take a line
Out of sight, out of mind Stupid, dumb, idiot, moron
Out of sight, out of mind
You can't see but you're not blind Out of sight, out of mind
It was yours but now it's mine
Take a riff, take a line
Out of sight, out of mind Don't even think about anything
Out of sight, out of mind
You can't see but you're not blind
