Wait On Him

Doug & Deb

Eagerly, we wait for You.
And patiently, we know.
Be our strength, Lord, every day in our time of need.

For now, wait on the Lord, take courage, wait on Him.
Be strong, donâ€™t lose your heart,
It wonâ€™t be long, wait on Him.

In Your Word, we know thereâ€™s hope.
In time, we will endure.
So, weâ€™ll trust in You and continue on,
â€˜cause You will see us through.

For now, wait on the Lord, take courage, wait on Him.
Be strong, donâ€™t lose your heart,
It wonâ€™t be long, wait on Him.

My soul waits for You, I wait for You.
Said my soul waits for You, I wait for You.
Our souls wait for You, we wait for You.
Yeah, our souls wait for You, we wait for You.

Yeah, weâ€™ll rest in You.
Lord, we praise Your name.
And we know, Youâ€™ll keep Your Word.
Lord, Your promises are our strength and shield.
And we know, You will prevail.

For now, wait on the Lord, take courage, wait on Him.
Be strong, donâ€™t lose your heart,
It wonâ€™t be long, wait on Him.

So wait, wait on the Lord, wait on Him, wait on Him.
Be strong, donâ€™t lose your heart,
It won't be long, wait on Him.

So be strong.
