

# Crown Of Age

## The Ettes

It's harder than you know  
To try to settle down  
You see it in her line  
You look it up and down  
You see it end to end  
You read it like a book  
And then for what it is  
You take a look And when it rains when it rains  
Oh the sun comes out again  
Crown of age crown of age  
Just like it's always been  
And you know and you know  
Oh what you've gotta do  
Crown of age crown of age  
Yes it's all up to you It's harder than you know  
To get where you belong  
Somehow you're always there  
Somehow it's always wrong  
As far as I can see  
That much'll never change  
It's what you always know  
Just like your name And when it rains when it rains  
Oh the sun comes out again  
Crown of age crown of age  
Just like it's always been  
And you know and you know  
Oh what you've gotta do  
Crown of age crown of age  
Yes it's all up to you It's harder than you know  
To get where you belong  
Somehow you're always there  
Somehow it's always wrong  
As far as I can see  
That much'll never change  
It's what you always know  
Just like your name And when it rains when it rains  
Oh the sun comes out again  
Crown of age crown of age  
Just like it's always been

And you know and you know  
Oh what you've gotta do  
Crown of age crown of age  
Yes it's all up to you And when it rains when it rains  
Oh the sun comes out again  
Crown of age crown of age  
Just like it's always been  
And you know and you know  
Oh what you've gotta do  
Crown of age crown of age  
Yes it's all up to you
