

You Came Running

Laura Story

Dreams dashed on a rocky shore
And the plans I had made
Came crashing to the floor
Heart break, on this winding road
And the pieces I had gathered
Couldn't heal up on their own But the God of all comfort
And the Prince of all Peace
Came running
You came running
You saw what was shattered
The depth of my need
And came running
You came running
To me Hope found in the middle of pain
Though this world is surely fading
My God You will remain
My greatest joy, my soul's refrain
For me to live is Christ, and to die is only gain
For me to live is Christ, and to die is only gain
Over and over You run after me
Over and over my pieces redeemed
Over and over new mercies I see
