

Pay the Price

Homewrecka

Well I heard this story once before
And I know what the tears are for
That's a line that I just can't buy
You came for me so don't try
And I see another man in your eyes
Listen you're old enough to know you can't live life
Listen so I'm telling you just exactly what to do
'Cause you can't have to take some advice
Pay the price
And if on another time or place
Another day, another face
I'm telling you babe it's all you know
That one of us is gonna have to go
And I see another man in your eyes
Listen you're old enough to know you can't live twice
Listen so I'm telling you just exactly what to do
'Cause you can't have to take some advice
Pay the price

Listen I know you hate to see me cry
But I have to go and I tell you why
Without your love I just can't go on
[Incomprehensible] cloud and it's wrong
And I see another man in your eyes
Listen you're old enough to know you can't live twice
Listen so I'm telling you just exactly what to do
'Cause you can't have have to take some advice
Pay the price
And I see another man in your eyes
Listen you're old enough to know you can't live twice
Listen so I'm telling you just exactly what to do
'Cause you can't have have to take some advice
Pay the price
Pay the price
Pay the price
