Idol Chatter

The Fuzztones

You will never be my lover
You're just talking in my ear
And when you focus on me
It's because of what you hear
Idol chatter - it don't matterYes you know my reputation
You drink in my claim to fame
Fifteen minutes later, baby
Will you still feel the same
Idol chatter - it don't matter
There have been so many times the shoe was on the other foot
Just one word that they had spoken
Just one glance and I was hooked
Idol chatter - it don't matter
Idol chatter - it don't matter
Idol chatter - no grey matter
