ohh I won't take your breathe away

ohh I won't take your breathe away

I won't take your breathe away

I won't take your breathe away

I won't take your breathe away I don't wanna say...every single word I say...

every man...but I won't take your breathe away...

I won't take your breathe away

I won't take your breathe away

I won't take your breathe away

I won't take your breathe away

I don't wanna say...
