You're The One

Brown Boy

[Guy-Verse 1]Now i know you were meant for me
i can tell by the way you was sent to me.
from the heavens above

see you like my shining sun
no need to ask who cause you know your the one

[Guy-Verse 3]i dont wanna be a playa i wanna be your man
make you understand a good girl needs a bad boy
'cause opposites attract, me and you baby we a perfect match

i cant afford that but i can give you all i have
and promise you girl that i'll never make you sad
hold you in my arms when things go wrong
be your back bone when you need to stay strong
dance wit you baby to your favorite love song
see imma ride for you if it came down to it girl i would die for you.
[Girl-Chorus]your the one
