

Rock 'n' Roll Children (Remastered)

DIO

It was starting to rain
On the night that they first decided
It was blinding with snow
On the night that they ran away
They were found in the dark
But they never returned
Just like somebody slammed the doorShe was meant to be wild
He was nearly a child
But they only could feel each other
They were paper and fire
Angel and liar
The devil of one anotherThen they were thrown to the ground
With a terrible sound
Just like somebody broke a heartRock 'n' roll children
Alone again
Rock 'n' roll children
Without a friend
But they got rock 'n' rollIt was starting to rain
On the night that they cried forever
It was blinding with snow
On the night that they screamed goodbyeThey were lost in the dark
And they never returned
Just like somebody slammed the doorOn rock 'n' roll children
Alone again
Rock 'n' roll children
Without a friend
