Backstabber

Adastra

Backstabber [repeat 3x]

Bored, stoned, sitting in your basement
All alone, cause your little conversations
Got around, now look here what we all found out
(look here what we found, look here we all found out)

That you have got a set of loose lips, twisting stories
All because you're jealous
Now I know exactly what you're all about
So this is what you're all about

Girl, your such a backstabber
Oh girl, you're such a shit talker
And everybody knows it (everybody knows it)

Girl, your such a backstabber,
Run your mouth more than everyone I've ever known
And everybody knows it (everybody knows it)

Backstabber
(Talk talk talk talk talk talk)

I'm sick and tired of hearing all about my life
From other bitches with all of your lies
Wrapped up so tight, so maybe you should shut your mouth, shut your mouth
Shut your fucking mouth

Honestly, I think it's kinda funny that you waste
Your breath talking about me
Got me feeling kinda special really (so this is what your all about)

Girl, your such a backstabber
Oh girl, you're such a shit talker
And everybody knows it (everybody knows it)

Girl, your such a backstabber,
Run your mouth more than everyone I've ever known
And everybody knows it (everybody knows it)

Katie's to the left there just there ripping my style
Damn, Jeanie why you gotta tell the secrets about my sex life?
All I ever did was drive your broke ass around
Pick you up, take you out
When your car broke down

Backstabber [3x]

Girl, your such a backstabber
Oh girl, you're such a shit talker
And everybody knows it (everybody knows it)

Girl, your such a backstabber
(Taking and twisting and telling, so manipulative)
Run your mouth more than everyone I've ever known
And everybody knows it (everybody knows it)

(Talk talk talk)
Backstabber
(Taking and twisting and telling, so manipulative)
Oh girl uhu, you're looking like a lunatic
Everybody knows it (everybody knows it)

Everybody knows
Yeah you're looking like a lunatic
And everybody knows
Yeah everybody knows
Backstabber
