

Shake It

Chris Brown

[Verse 1: Chris Brown] You see what I'm sittin' on
You should be sittin' on these right in front of the club
Shawty what you sippin' on
You see me gettin' grown
So baby just show me some love yea
[Chorus:][T-Pain:] I want a girl like you
I could tell that you lookin' for a dude like me
Can you smell what I'm cookin'
Let me know if you wanna' ride
[Chris Brown:] Cause I ain't got nobody on my passenger side
