Freak

Gatopaint

In front my nose
I don't know what to do
Just like a shadow
This is how it goesSo you think you can
Just step in front like that
You crossed the line
And now you're in my wayLet me get you in my hands
(Just to see you there)
Let me feel the savor and
Clear you in a purple way

(Let me clear you my a purple way)One step ahead

One step inside

I think I saw

A Purple Guy!With something unknown

He saw me in the hall

Oh no!So you think you can

Just step in front like that

You crossed the line

And now you're in my wayLet me get you in my hands

(Just to feel you there)

Let me feel the savor and

Clear you in a purple way

(Let me clear you my a purple way)In front my nose

Maybe it's not

A dream at all

A dream at allWich one of them you like more?

Freddy, Chica, Bonnie or the Foxy?

Don't be afraid

What you see

Maybe it is not real
