

# Love Affair (Edited Version)

## Lil Twist

[Chorus]

I'm dealing with this love affair  
It used to be just physical  
But now it's just too emotional for me  
I want to confess but I can't  
Tell my girl what I want  
So what do I do?  
Let it burn inside of me?  
Or will I get away?  
Or will it end in tragedy?

Fatal attraction  
Ready for action  
She had a body like Ms. Jackson  
I knew that it was trouble when she passed by  
But she was so fly  
She invited me over  
So I hopped in the Rover  
Then my lady called the phone  
And I should have went home  
But I let the phone roam

And it was like oh  
I can't keep my shirt on  
I swear I'm like oh  
I can't keep my hands to myself

[Chorus]

I swear that I was done  
I'm never going back  
Then she called me up  
She said I left my hat  
You know I can't live without my hat  
I got an excuse to double back y'all  
So you know I'm gone have a ball  
I said I'm going back y'all  
But knowing me that's not all

And it was like oh

I can't keep my shirt on  
I swear it's like oh  
I can't keep my hands to myself

[Chorus]

I got a main bitch and mistress  
I'm tryna' work it out  
I'm on my fitness  
It probably won't last  
But I'm optimistic  
One makes me happy  
The other makes a difference  
I ain't a playa  
But I love a lot  
She loves me  
She loves me not  
But it feel good  
And it's not supposed to  
I eat her insides  
Mmm soul food  
She put her head back  
Then her eyes close  
We stuck in the moment  
Like the time froze  
Then my girl call  
Back to reality  
But I keep her in a picture in my heart gallery

Oh  
I can't keep my shirt on  
I swear I'm like oh  
I can't keep my hands to myself

[Chorus]
