Midnight In Paris

Stephen Stills

There's a whole lot of magic

When you're in Paris

And I swear I've never seen

So many pretty women go by

And I can't stop from dancing

I'm spinning 'round like a clock

That's wound up too tightI want to tell you 'bout all I see

Stars in my eyes that you would not believe

I'm a little funky wearin' out my shoes

Don't mean anything unless I'm dancin' with youMidnight, midnight in Paris

Midnight, midnight in ParisDonne mois ta main

Si je viens de loin

[Foreign Content]

[Foreign Content]

Si je viens de loin

Moi je prux te parler de ma musique

Et parle moi de toi

Si tu veux me dire un jour bon quelque chose

[Foreign Content]

Si tu veux te sentir un moment comme moi

Tu regarde moi quand je danse avec toiMidnight, midnight in Paris

Midnight, midnight in ParisWell, we'll have another bottle

Monsieur Luigi

So we can toast the autumn

Since it's all around

And I'll always remember

Singing in the park when the rain came downI want to tell you 'bout all I see

Stars in my eyes that you would not believe

I'm a little funky wearin' out my shoes

Don't mean anything unless I'm dancin' with you

Dancin' with youMidnight, midnight in Paris

Midnight, midnight in ParisMidnight, midnight in Paris

Midnight, midnight in Paris

When you're in Paris
