

Another Time, Another Place

David Sanborn

Bright morning lights
Wipe the sleep
From another day's eye.
Turn away from the wall
And there's nothing at all.
Being naked and afraid
In the open space of my bed.I'll be with you now
I'll be with you now
I'll be with you now
We lie on a cloud, we lie.Just as I am
I awoke with a tear on my tongue
I awoke with a feeling of never before
In my sleep, I discovered the one
But she left with the morning sun.I'll be with you now
I'll be with you now
I'll be with you now
We lie on a cloud, we lie.
