Shock

Cartman

Shock, shock
Shock, shockWelcome to my world
Headfirst to the earth
With my sights on the goddamned kill switch
I've become a fuse charged with attitude
Fixed and dialated by my angerI have become a
Direct
I have become a
Current
I have become a
Direct
I have become
InsurgentI will be a power surge
Shock to the system
Electrified, amplified
Shock to the system
Shock, shockAlternate my wires
Heat my core desire
I will not stand for condemnation
I've become the volts to lead the revolt
Fuck with me ensues certain dangerI have become a
Direct
I have become a
Current
I have become a
Direct
I have become
InsurgentI will be a power surge
Shock to the system
Electrified, amplified
Shock to the systemI will be a power surge
Shock to the system
Electrified, amplified
Shock to the systemI am the power surge
I am the insurgent
Electrified, amplified
Electrified, amplified
Shock, shock
Shock, shock

Shock to the system
