

# Psycho Path

## Dismal Euphony

I ride the psycho path in pain  
Into the foreign shores  
I'll never walk again  
Just call my name and I will be your enemy  
Just call my name and I won't be answering  
I will be your enemy until the darkness fall  
Blinded by the morning light  
I'm not afraid to die  
Eat my flesh and drink my soul  
it's no use holding on  
Feed my dreams with your own soil  
Let me feel your pain  
Come watch the acid sights I see  
Crawling up towards me  
The gods and demons serve me well  
though I can't tell  
Do they want me well?  
I ride the psycho path to gain  
The power that the sane never will obtain  
Just call my name then I will be your enemy  
Just call my name and I will be insane
